## WORK EXPERIENCE

Agriculter Engineer

9/2022- 1/2023

### Mashtal

I was an engineer on an agricultural land, taking care of plants and flowers and selling them. I supervised the workers in the place and was responsible for the entire place.

Reservation Agent

15/04/2023-29/02/2024

### Reef oasis beach Resort&Sentido

### Reef oasis in sharm elsheikh

I was a reservations employee. I used to answer the phone and reserve rooms for Guest. I dealt with all international tourism companies. I used the Opera system. I worked with a major Italian hotel company. Therefore, I gained great experience in dealing with Guests and companies and i was setting prices on the system and dealing under great pressure all the summer season

Landscape Designer

5/3/2024-30/04/2034

### Devo Groupe

I was making landscape designs using engineering programs and implementing them on the ground with agricultural engineers
